Increase Earnings, Access, and Security With the 24-month Three Wishes Share Certificate of Deposit (CD)

The Three Wishes CD rewards you with:

- Higher Returns
- Access to Cash
- Deposit Flexibility

Noble Credit Union's Three Wishes CD means you have an opportunity to earn more on your deposit, make a deposit, and access cash throughout the term of the CD to maximize your earning potential.

What are you waiting for? Start wishing!

INCREASE RETURNS – Earn more when you “bump up” your interest rate at any one time during the term of the CD. Take advantage of rising rates – earn more at Noble Credit Union than most other institutions' CDs offer. You'll earn interest at that new rate for the life of the CD.

INCREASE DEPOSIT – Make an additional deposit into your Three Wishes CD during the CD term and you'll earn interest on the new balance for the remainder of the term. This wish comes in handy when you're rolling over a maturing CD, or you want to deposit a bigger investment in a secure CD. Deposits cannot exceed your original CD. Total balance cannot exceed \$1,000,000.

INCREASE ACCESS - Withdraw funds from your Three Wishes CD once during the term without penalty. It's the comfort of knowing you can access your money when you need it. Withdrawals can be up to a maximum of 25% of the original CD balance. Amounts drawn in excess of the above limit are subject to standard early withdrawal penalties. CD balance may not drop below \$2,500 after withdrawal.
