

Set up autopay

To set up an autopay:

Navigation: CardHub login > Card select > Pay Balance > Autopay

1. Select **Minimum Payment Due**, **Statement Balance**, or enter a **Custom Amount**.
2. Select a **Payment Account** from the dropdown list.
3. Select **Schedule** to proceed with the autopay payment.

Checking — Noble Credit union ▼

By selecting Schedule, I electronically consent and authorize the above recurring electronic funds transfer from my payment account to my credit card account.

Autopay will begin on the next statement billing cycle. In the meantime, you can also schedule a one-time payment for the current month.
